Selection Criteria

LHG seeks to identify individuals who are most likely to utilize their leadership abilities for the long-term benefit of Hendry & Glades Counties. Emphasis is given to those who have demonstrated leadership and community involvement outside of their career, which has long been consistent with graduates' likelihood to continue their involvement beyond graduation. Participants will be selected by a selection committee comprised of the LHG Board of Directors. In the interest of group dynamics, married couples or close relatives are not selected for the same class. The program has, however, graduated a number of husband/wife teams who participated in different classes. If more qualified candidates apply than class space allows, first consideration will be given during the following year to those whose applications were deferred. Qualified applicants will have demonstrated leadership capabilities in the public, private, nonprofit or religious sector, or will show a motivation to contribute to the betterment of Hendry & Glades Counties. He or she will be of high ethical character, demonstrate maturity in interpersonal relationships and possess a capacity for thoughtful reflection.

Commitment

The Leadership Hendry/Glades Program consists of nine program sessions. Sessions are the first Wednesday of the month. Sessions are scheduled once per month and are conducted throughout both counties. The program will take place on a set schedule from 8am-5pm. Session dates and locations will be given at the beginning of the program.

The amount, quality and value of the information presented at each session cannot be overemphasized. Openings for participants are limited, and the number of qualified, interested applicants exceeds available openings. For these reasons, participants are expected to attend ALL nine sessions of the Leadership Hendry/Glades Program. A participant who fails to attend deprives an interested applicant of whom an opening was denied. Even though emergencies do arise, any participant missing more than one of the nine sessions, regardless of reason, will be required to complete missed sessions with the following year's class before being awarded a certificate of completion. Spouses/guests are not permitted to attend program sessions but are encouraged to attend commencement.

I understand that I may be discharged from the Leadership Hendry/Glades Program at any time should I engage in any conduct determined by Leadership Hendry/Glades Counties, Inc. to be detrimental to the program. In the event of discharge, all tuition shall be forfeited.

As a program of the Hendry County Economic Development Council, Leadership Hendry/Glades adheres to a drug-free and alcohol-free policy during working program hours. It is LHG's obligation to provide a drug-free, safe and secure work environment for program participants. Working program hours are noted on each program day agenda.

Please turn cell phones and other electronic devices OFF or on SILENT during working program hours. Electronic devices may be used during scheduled breaks, which are noted on the agenda for each program day. The LHG program asks that you be respectful of the program and other participants while utilizing Facebook, Twitter and other social media outlets. Allowance of usage will be approved or denied at the beginning of each session.

Confidentiality – The class may discuss topics of a sensitive nature throughout the program year. Please respect your classmates and others by maintaining confidentiality within the class. **This is a long-standing rule in LHG.**

If a member of the class becomes a candidate for office while in the program, they are not permitted to campaign while participating in LHG events. This includes soliciting other class members for donations or political support during the nine-month LHG program and announcing yourself as a candidate when introducing yourself or speaking of guests at LHG events. All members of LHG must introduce themselves by the company or business they are representing while participating in the program.

Upon completion of this program, you stay in touch with your class by **becoming a member of the Leadership Hendry and Glades Counties Alumni Association**. This is an elite networking group comprised of over 200 past LHG participants. Please note: there is an annual fee for the Alumni Assoc.

I understand the commitment to the Leadership Hendry/Glades Program and agree to abide by the rules of conduct as well as all other program requirements. I also understand that violating these policies can result in my removal from the class. I further understand LHG extends beyond the nine-month program to a lifetime of opportunity for involvement, including joining the Leadership Hendry/Glades Alumni Association and supporting their work. I understand the above commitments and, in completing this application, agree to be bound by them. As noted above, I have the cooperation of my employer. **If selected, I will devote the required time and pay my tuition on or before August 9, 2019.**
